

## STATIONERY REQUIREMENTS FOR GRADE 0 – 2025

Below please find the list of items that your child will be required to have during the Grade 0 year. It is vital that each pupil has all the required items at school on the first day of the term. Kindly note that we do **NOT** want any cartoon stationery to come to school e.g. Bratz, Superman, Ben10 etc...

Most of the stationery items will be available at retail stores/online. However, you can also contact Mary-Anne (Contact number: 082 466 4460) who can pre-pack the stationery items for you.

All stationery is to be sent to school, the extras will be kept at school in the ice cream container in class.

**Please mark all stationery clearly and individually** (not only on the box) with your child's name **before sending** the items to school. Label the marker and the glue as well as the lids.
